1st DRAFT

SUPREME COURT OF THE UNITED STATES

From: The Chief Justice

Circulated: APR 2 1971

No. 444.—OCTOBER TERM, 1970

Recirculated:

Mrs. Robert Lee Moore et al., } On Appeal From the
Appellants, } United States District
v. } Court for the Western
Charlotte-Mecklenburg Board } District of North Caro-
of Education et al. } lina.

[April —, 1971]

PER CURIAM.

Appellants seek review of the decision of the United States District Court for the Western District of North Carolina declaring a portion of the North Carolina anti-busing statute unconstitutional, and enjoining its enforcement. It is a companion case to No. 498, *ante*, *North Carolina State Bd. v. Swann*. We postponed decision on the question of jurisdiction, 400 U. S. 803 (1970), and after hearing on the merits we now dismiss the appeal for lack of jurisdiction.

At the hearing both parties argued to the three-judge court that the anti-busing law was unconstitutional and urged that the order of the District Court adopting the Finger plan should be set aside. We are thus confronted with the anomaly that both litigants desire precisely the same result, namely a holding that the anti-busing statute is constitutional. There is, therefore, no case or controversy within the meaning of Article III of the Constitution. *Muskrat v. United States*, 219 U. S. 346 (1911). Additionally, since neither party sought an injunction to restrain a state officer from enforcing a state statute alleged to be unconstitutional, 28 U. S. C. § 2281, this is not an appeal from "any civil action, suit or proceeding required . . . to be heard . . . by a district court of three judges," 28 U. S. C. § 1253, and hence no direct appeal to this Court is available.

Dismissed.

Dear Chief:

In No. 444 - Moore v. Charlotte
Board, is not the word "unconstitutional"
in line 2 of paragraph 2 incorrect?
Should it not be "constitutional"?
Please join me.
