1st DRAFT

SUPREME COURT OF THE UNITED STATES

No. 73-2055

Securities Investor Protection Corporation, Petitioner,	} On Writ of Certiorari to the United States Court of Appeals for the Sixth Circuit.
v.	
James C. Barbour et al.	

[May —, 1975]

MR. JUSTICE MARSHALL delivered the opinion of the Court.

The Securities Investor Protection Corporation (SIPC) was established by Congress as a nonprofit membership corporation for the purpose, *inter alia*, of providing financial relief to the customers of failing broker-dealers with whom they had left cash or securities on deposit. The question presented by this case is whether such customers have an implied private right of action under the Securities Investor Protection Act of 1970 (SIPA), 15 U. S. C. § 78aaa *et seq.*, to compel SIPC to exercise its statutory authority for their benefit.

I

In December 1970 the Securities and Exchange Commission (SEC) filed a complaint in District Court against Guaranty Bond and Securities Corporation, a registered broker-dealer, to enjoin continued violation of the Commission's net capital and other rules. On January 6, 1971, the District Court issued a preliminary injunction, and on January 29 it granted the Commission's motion for appointment of a receiver to wind up the affairs of Guaranty Bond. Respondent James C. Barbour was appointed receiver.
