Re: 73-820 - U. S. v. Guana-Sanchez

MEMORANDUM TO THE CONFERENCE:

Since Conference I have word from another Justice that he would prefer a DIG to affirmance by an equally divided Court. (Affirmed by an equally divided Court may arouse media comment on Bill's absence and I think not helpful to his morale, given his intense drive to "do his share.")

Potter had voted in the alternative to DIG and I will now join that.

If there are others forthcoming that will dispose of the case.
