MEMORANDUM TO THE CONFERENCE

Re: No. 74-773 - Hudgens v. NLRB

This case was on the February 28 Conference List (list 1, sheet 3) together with a motion to defer consideration until the Conference considered a petition for certiorari to the Georgia Court of Appeals arising out of the same controversy. I was asked to have Mr. Ginty prepare a memorandum on the Georgia State case. No. 74-773 accordingly was relisted for March 14 (list 5, sheet 1).

The Georgia State case is No. 74-1032, Hudgens v. Local 315. Mr. Ginty has prepared his memorandum. A copy is attached for consideration Friday.
