Re: 74-799 - United States v. Foster Lumber Co.

MEMORANDUM TO THE CONFERENCE:

This case was a 4-4 at Conference after argument with one vote designated "in-dubitante."

I have just carried it in suspense waiting to see if doubts are resolved or if anyone has a thought of changing a previous vote.

If not, we should either (a) let it come down "affirmed by an equally divided Court" or (b) reargue.

It is a question that ought to be resolved.

Regards,

WBOZ

JUSTICE POTTER STEWART

74-799, U. S. v. Foster Lumber Co.

Dear Chief,

This is in response to your memorandum of January 28. I continue to believe that the judgment in this case should be reversed. I also believe that, if the vote continues 4-4, the case should be set for reargument since there is a Circuit conflict.

Sincerely yours,

P.S.
